PACO DE LUCÍA

A JOURNEY / LA BÚSQUEDA

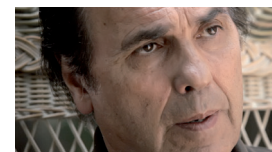

A lively chronicle of the career of the brilliant Andalusian guitarist Paco de Lucía.

All the way from the first time the penniless young Paco picked up a guitar in his birth city of Algeciras to the creation of his final album Canción Andaluza, the film covers a lifelong journey of musical discovery and how Paco de Lucía conquered the world by pushing the boundaries of traditional flamenco.

Featuring **Chick Corea, Carlos Santana, John McLaughlin, Rubén Blades, Alejandro Sanz, Bryan Adams, Pepe de Lucía, Jorge Pardo, Carles Benavent, Duquende, El Piraña, Farru, Alain Pérez, Antonio Serrano, Antonio Sánchez, David de Jacoba, Estrella Morente** (...) as collaborating artists.
